## President's Letter

In the weeks since our last meeting a lot of things have happened. The season has changed and it's now officially fall, the VA Council meeting is over and our annual golf tournament was last week. I don't know about you but I need a break before the holiday season sets in.

I want to thank all of you for helping us make the 2011 VA Council meeting a great success. I think the "Roanoke" reputation for hosting wonderful conferences is still intact. The Sheraton did a wonderful job. Everyone loved the facility and the service was flawless. Annette Ardler of Insurance Professionals of Richmond is our new Council Director – Elect. I will present a report of the conference at our meeting. There were a few exciting developments.

A special thanks to Trish Clark for heading up the golf tournament again this year. I want to apologize to her as well. With the conference right on the heels of the golf tournament she received very little support in putting this together. That being said...we could not have had a better day tournament. The course was absolutely beautiful and the weather was made to order. Some of you may have caught a glimpse of Trish on the news that night. Thanks to Angelina for sending a Press Release to Channel 7. Roanoke Armature was this year's winning team, they have played every year and this is their first win. Everything went smoothly and as always, there were high accolades from the players. They feel we put on a well-run tournament and that it could and should be much bigger than it is. I agree and I'm sure that Trish does as well. The question is do we have enough people who will dedicate the time needed to take this tournament to the next level? Trish will give a further report at the meeting next week.

I hope to see you all at our meeting next week. We will be the first VA Association to hear from our own Melissa Maddox in her capacity as State Council Director.

Respectfully,  
Sonya J. David, CIC, CPIW

Sonya said the blessing.

The minutes from the August meeting were discussed; one correction was made and then filed.

All reports going forward will be corrected to read Insurance Professionals of Roanoke. With no further corrections the report was filed.

**Golf Tournament:** Trish said we have 8 or 9 teams and hole sponsors. We need more sponsors and prizes.

**Ways and Means:** Danielle announced that a representative from Butter Braids is coming to the October meeting with samples. IPR will be conducting a fundraiser selling these around Easter.
